Guthrie Specialty Eye Care Expands

Guthrie is excited to announce the recent addition of three ophthalmologists, six optometrists, and several convenient new eye care locations.

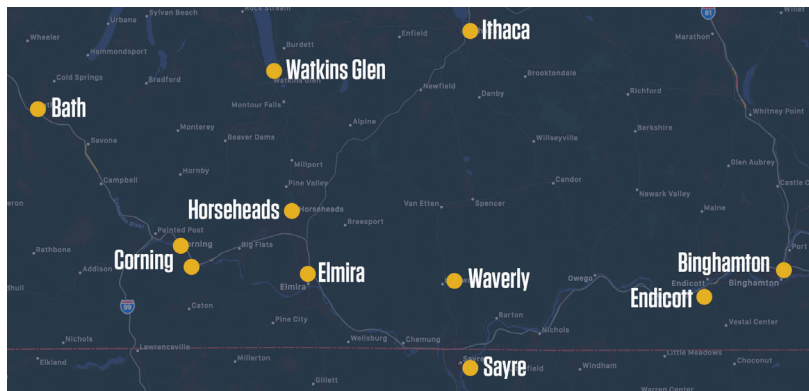

In December, Guthrie Specialty Eye Care welcomed the patients, staff, and providers of Twin Tiers Eye Care. All former Twin Tiers Eye Care offices – in Bath, Binghamton, Corning, Elmira, Endicott and Watkins Glen – remain open as Guthrie locations.

Ophthalmologists **Richard Rosenberg, MD** and **Lloyd Suter, MD** continue to care for patients, as do optometrists **Brian Bleiler, OD**; **Ellen Cain, OD**; **Marilyn Foran, OD**; **Judy Jeffers, OD**; **Thomas Landry, OD** and **Richard Socash, OD**.

In addition, ophthalmologist **Jonathan Manhard, MD** has joined the Specialty Eye Care team at Guthrie Ithaca City Harbor. Dr. Manhard is a comprehensive ophthalmologist specializing in modern cataract surgery, minimally invasive glaucoma surgery, and ophthalmic laser surgery. He treats diabetic eye disease, macular degeneration, glaucoma and other eye conditions. He is performing surgeries at Guthrie Cortland Medical Center.
