Advanced Trauma Life Support®

Program Goals
The Advanced Trauma Life Support (ATLS) course provides its participants with a safe and reliable method for the immediate treatment and the basic knowledge necessary to:
- Assess a patient’s condition rapidly and accurately.
- Resuscitate and stabilize patients according to priority.
- Determine whether a patient’s needs exceed a facility’s resources and/or physician’s capabilities.
- Arrange appropriately for a patient’s interhospital or intrahospital transfer.
- Assure that optimum care is provided and that the level of care does not deteriorate at any point during the evaluation, resuscitation, or transfer process.

Course Faculty
These courses are taught by American College of Surgeons verified Advanced Trauma Life Support® physician instructors.

Guthrie-affiliated physicians ... $200.00

Course fees include ATLS® 9th edition Student Course Manual with DVD, course materials, continental breakfast and lunch.

Make checks payable to: Robert Packer Hospital - ATLS®

Student Course registration is limited to 16 students. Due to the need to study pre-course materials, early registration is encouraged.

We cannot guarantee your enrollment unless we receive payment information and the completed registration form.

To allow adequate time for study and preparation, course materials will be sent at least three weeks prior to the start of the course. An additional fee of $50 will be incurred for registrations received less than three weeks prior to the course to cover overnight shipping charges for pre-course materials.

An administrative fee of $50 plus book costs will be assessed for any cancellation made greater than 15 days prior to the course. No refund will be issued for cancellations made less than 15 days prior to the start of the course.

DAY 1
Course Overview

Advanced Trauma Life Support® (ATLS) provides the essential information and skills that the physician may apply to the identification and treatment of life-threatening or potentially life-threatening injuries.

This two-day course is designed to teach the physician a rapid, systematic method of assessing for life threatening traumatic injuries and prioritized lifesaving management skills in a standardized approach to trauma care in the initial “Golden Hour” following a traumatic event.

The American College of Surgeons is accredited by
the Accreditation Council for Continuing Medical
Education (ACCME) to provide continuing medical
education for physicians.

The American College of Surgeons designates this educational activity for a maximum 19 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation to the activity.

ATLS® Student Course
2 Day Schedule
The American College of Surgeons designates this educational activity for a maximum 5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation to the activity.

ATLS® Instructor Course
1 ½ Day Schedule
The American College of Surgeons designates this educational activity for a maximum 15 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation to the activity.

Americans with Disabilities Act
The American College of Surgeons’ ATLS® Program and Robert Packer Hospital complies with the Americans with Disabilities Act (ADA). Any person who needs an accommodation under the ADA should contact:
