

HealthWorks Wellness and Fitness Center

Updated Mask Guidelines

Effective Monday, March 2, 2022

- Masks are not required while using the fitness center at HealthWorks.
- However, masks are required when outside of the fitness center. This includes the main entrance, hallway and all medical spaces. Once in the fitness center, visitors may remove their masks if they so choose.
- Masks are required for all medical office visits at HealthWorks. Please come prepared with your own suitable mask. Bandanas and neck gaiters will not be permitted.

Thank you for your cooperation.
