REFERRING TO GUTHRIE

Guthrie Bariatrics

Mustafa W. Aman, MD, MHA, CPE, FACS, FICS, FASMB
*Chief, Guthrie Comprehensive Weight Loss Centers;
Director, GMG Bariatric Surgery Program*

Comprehensive Weight Loss Care

- **Full spectrum of services**, including surgical robotics and medical weight loss options, dietary support, health coaching and behavioral assessments.
- **Fellowship-trained, board-certified physicians** specializing in long-term patient success.
- **Streamlined referral process** – we handle all prior authorizations and patient coordination.

When a referral is submitted to Guthrie Bariatrics, our team steps in to ensure seamless care and coordination every step of the way. Trusted across a 10,000 square mile service area, our program is recognized for excellence, including regional and national awards and accreditations.
