2022 Caregiver Campaign
FAQ's

✓ **Where does my money go?** – 100% of your donated dollars go toward the fund, program, or facility intended by the donor. Each fund is unique and directly benefits our patients, fellow employees, and our community. These funds can help with a broad range of needs.

  ✓ Charitable dollars can provide gas cards for those patients traveling to Guthrie for treatment.
  ✓ Families can stay in the comfortable home-like atmosphere of the House of Hope, while their loved one is receiving life-saving care at Guthrie.
  ✓ State of the art equipment can be purchased to keep Guthrie at the forefront of healthcare.

✓ **Why does Guthrie need my money?** – As a not-for-profit organization, the donations we receive every year enable us to support numerous programs and services throughout the Guthrie footprint and help to ensure that we are able to provide the highest quality of service to the residents of the communities we serve.

GUTHRIE

2022 Caregiver Campaign
FAQ's

✓ **What if I can't donate very much? Does a small donation make a difference?** Absolutely, every dollar helps! A donation of $2.00 a pay period can pay for a family to stay one night at the House of Hope

✓ **I donated to the United Way. Isn't this the same thing?** The United Way is a separate not-for-profit organization that Guthrie strongly supports. The United Way and Guthrie work together to make our community a better place. The United Way works directly with our community to provide necessary programs to make our regions a better place to live. Giving to the charitable funds at Guthrie, helps our patients receive the best care possible, it helps make our hospitals and clinics a better place to work, and it helps our community become a better place to live.

✓ **I want to donate, but I don't know all the options available to me.** There is a list of Guthrie giving options available on your pledge form and online. If you are curious where you can designate your dollars contact Resource Development at 570-887-4420 or Resource _Development@guthrie.org.
