

WHAT'S NEW...

Guthrie Welcomes Drs. Ologun, Serniak, Byrne

Raphael Byrne, MD
General Surgery, Colorectal

Gabriel Ologun, MD
General Surgery

Nicholas J. Serniak, MD
General Surgery, Colorectal

The Guthrie General Surgery team welcomes Drs. Gabriel Ologun, Nicholas Serniak and Raphael Byrne.

Dr. Gabriel Ologun specializes in cutaneous lesions, gallbladder and gastrointestinal diseases, hernias, and laparoscopic procedures.

He earned his medical degree from the State University of New York Upstate Medical University and completed his residency in general surgery at Guthrie Robert Packer Hospital. He is welcoming new patients at Guthrie Cortland Fisher Avenue and Guthrie Ithaca on Hanshaw Road.

Both Dr. Serniak and Dr. Byrne specialize in colon, rectal and anal cancer, advanced colon and rectal polyps, diverticulitis, inflammatory bowel disease, pelvic floor disorders, hemorrhoids, anal fistulas, anal fissures and minimally invasive robotic surgeries.

Dr. Serniak earned his degree from The Commonwealth Medical College. He completed his residency at Hahnemann University Hospital and his fellowship at the University of Southern California. He is welcoming new patients at the Guthrie Sayre and Ithaca offices.

Dr. Byrne received his degree from the University of Pittsburgh School of Medicine. He completed his residency at Oregon Health and Science University and his fellowship at Mount Sinai Hospital. He is welcoming patients at East Corning.

TO MAKE A REFERRAL CALL 866-GUTHRIE (866-488-4743).

Our team is here for you, the referring provider, whether your patients are having a routine procedure or have an urgent issue that requires surgery.

Our surgeons have advanced training in general surgery and surgical subspecialties, including:

- Bariatric surgery
- Breast surgery
- Colorectal surgery
- Hepatobiliary surgery
- Thyroid and parathyroid
- Surgical oncology
- Hernia surgery
- Trauma surgery
- Gallbladder surgery
- Abdominal surgery

We use the latest diagnostic and surgical technologies, including minimally invasive surgery.

Referring a patient to the Guthrie General Surgery team is convenient – simply call **866-GUTHRIE** (866-488-4743).

GUTHRIE GENERAL SURGERY

ONE TEAM ONE FOCUS

MISSION

Guthrie works with the communities we serve to help each person attain optimal, life-long health and well-being. We will do so by providing integrated, clinically-advanced services that prevent, diagnose, and treat disease, within an environment of compassion, learning, and discovery.

VISION

Improving Health through Clinical Excellence and Compassion; Every Patient. Every Time.

VALUES

Patient-Centeredness • Teamwork • Excellence
