

WHAT'S NEW...

Guthrie Welcomes Drs. Macfie, Skipton

Guthrie is excited to be welcoming Dr. Erica Skipton and Dr. Rebekah Macfie.

Dr. Skipton graduated from SUNY Upstate Medical University. She completed her residency in General Surgery at Guthrie Robert Packer Hospital.

Dr. Skipton will be seeing patients at Cortland General Surgery and Guthrie Ithaca City Harbor. She will be performing procedures at Guthrie Cortland Medical Center.

She specializes in benign and malignant breast disease, hernia repair, pilonidal disease, endoscopies, colonoscopies, as well as gallbladder, colorectal, anal and intestinal surgeries.

Dr. Macfie graduated from the University of North Carolina. She completed her residency in General Surgery at Oregon Health and Science University and her fellowship in Surgical Oncology at Mount Sinai Hospital.

She specializes in hepatopancreaticobiliary surgery including open and minimally invasive pancreatic and liver surgery, pancreatic cancer, IPMNs, pre-malignant

lesions of the pancreas, primary malignancies of the liver (HCC and cholangiocarcinoma), and colorectal liver metastases.

Dr. Macfie is welcoming patients in Sayre, Pa.

Same and Next-Day Appointments

Many of our general surgeons are offering same or next-day access. To refer a patient, call **866-GUTHRIE** (866-488-4743).

Guthrie Colorectal Surgery

Guthrie's colorectal surgeons are seeing patients in Sayre, Vestal, Ithaca and East Corning. Often same and next-day appointments are available.

Our colorectal team has experience in treating conditions such as colorectal cancer, inflammatory bowel disease, diverticulitis, anorectal disease, hemorrhoids, fissures, fistulas and colon and rectal polyps.

For referrals, call **866-GUTHRIE** (866-488-4743).

New Surgical Robot Now at Guthrie Corning Hospital

Guthrie has added a surgical robot at Guthrie Corning Hospital. This complements the robot at Guthrie Robert Packer Hospital.

The new technology will aid many of our general surgeons on procedures such as:

- Prostatectomy
- Cholecystectomy
- Colectomy
- Hemicolectomy
- Rectopexy
- Hernia repair

GUTHRIE GENERAL SURGERY

ONE TEAM ONE FOCUS

MISSION

Guthrie works with the communities we serve to help each person attain optimal, life-long health and well-being. We will do so by providing integrated, clinically-advanced services that prevent, diagnose, and treat disease, within an environment of compassion, learning, and discovery.

VISION

Improving Health through Clinical Excellence and Compassion; Every Patient. Every Time.

VALUES

Patient-Centeredness • Teamwork • Excellence
