

New Surgeons and a Greater Sports Medicine Presence

Robert M. Corey, MD
Orthopedic Sports Medicine Surgeon

Derrick G. Hickey, MD
Orthopedic Hand Surgeon

Rex David S. Gido, DO, CAQSM
Sports Medicine Physician

Guthrie welcomes two more surgeons to the Ithaca and Cortland areas, Dr. Robert Corey and Dr. Derrick Hickey, and announces a change for sports medicine physician Dr. Rex Gido.

Dr. Robert Corey is a fellowship-trained orthopedic sports medicine surgeon treating pediatric and adult patients. Dr. Corey performs arthroscopic shoulder, elbow, hip and knee surgeries. In addition to treating a wide variety of sports injuries, he also specializes in shoulder arthroplasty.

Dr. Derrick Hickey is a fellowship-trained orthopedic surgeon specializing in hand and upper extremity conditions. He treats adult and pediatric patients experiencing hand, wrist, elbow, and shoulder conditions such as arthritis, carpal and cubital tunnel syndromes, and fractures.

In addition to welcoming these new surgeons, we're also pleased to announce that Dr. Rex Gido has transitioned to the Guthrie musculoskeletal team full-time as a sports medicine physician. Dr. Gido focuses on non-operative sports medicine care, including concussion management in pediatric and adult patients. He welcomes patients in Corning, Cortland and Ithaca.

With the addition of Drs. Corey and Hickey, and with Dr. Gido's new focus, Guthrie continues to expand our services, offering sports medicine, joint replacement, hand care, foot care, and treatment of other musculoskeletal disorders.
