

Housing and meal plans are available through Guthrie Robert Packer Hospital for Commonwealth students in the Radiologic Technology and Respiratory Care programs. Dormitories are available on a space-available basis and consist of one floor of co-ed housing, with both single and double rooms.

Room dimensions

Single: 7'1" x 10' 5"

Double: 12'7" x 11'11"

Each room is equipped with a built-in sink, a wardrobe, a counter area, a twin-sized bed, and a desk.

A small, communal kitchen is available to all dorm students.

An optional meal plan is available for both on- and off-campus students.

Housing and meal plan applications for program majors are available from the student's Radiologic Technology or Respiratory Care program director.
