

Come Find Your Success with the PGY1 Pharmacy Residency at Guthrie Robert Packer Hospital

About Us:

Guthrie Robert Packer Hospital (RPH) is a 267-bed tertiary care referral center in Sayre, Pennsylvania. The hospital is a Regional Level II Trauma Center, accredited by the Pennsylvania Trauma Systems Foundation, and is served by Guthrie Air, a regional aeromedical helicopter program. Guthrie Robert Packer Hospital offers a full range of diagnostic, medical and surgical services.

PGY1 Pharmacy Residents at Guthrie Robert Packer Hospital (RPH) will take on the role of clinical pharmacist and teacher in varied practice settings including internal medicine, critical care (surgical/trauma and medical), antimicrobial stewardship, ambulatory infusion center, pharmacy leadership, and medication safety.

The goal is to train clinical competence, leadership and professional skills supported by self-directed learning, with the confidence to excel in diverse practice environments. Other opportunities include various elective rotation options (including critical care, infectious diseases, heme/onc, psychiatry, cardiology) and participation in research.

Want to learn more about the exciting opportunities at the PGY1 Pharmacy Residency program at Guthrie Robert Packer Hospital?

Join us for a 'virtual' open house and Q&A where you will be able to chat candidly with program faculty and current residents.
